

# A&S VENTURES LLC DBA GIFT IN A BOX

## PRIVACY POLICY

2023

We gather and interact with Individual Information for various purposes, including:

- The handling of your name and contact data gives you customer service or in any circumstance, communicates with you;
- The handling of device and utilization information to create, improve, oversee and modify our sites and administrations, to evaluate and further develop the connected client experience, to recognize client open doors, and to ensure our sites' and administrations' security and legitimate worked;
- The processing of your billing information to complete transactions with you when you purchase our products or services;
- To provide you with the necessary functionalities required during your use of our websites and services, and to review capacity requirements and compliance with the applicable usage terms;
- To display personalized advertisements to you and to send to you marketing communications about us, our products, and our services; and
- To comply with our legal obligations under applicable laws and cooperate with public and government authorities.

Sincerely,

*Sameer Nadeem*
